#1 Italian Restaurant on Long Island

Seeking 5-7,000 SF Locations

Following the historic turn of the century, the ending of the illustrious gay 90's, the now world famous Vincent's Clam Bar was established at Mott & Hester Streets in "Little Italy". Today, Vincent's Clam Bar is a seafood and pasta restaurant brimming with energy. All our foods are prepared at the open clam bar in full view of customers, just as it was years ago. The World Famous Original Vincent's Sauces can be found in fine food stores. Vincent's is proud to preserve the old world atmosphere of "Little Italy" and be able to serve you for your enjoyment. Vincent's Original Sauces are also Kosher and prepared under KOF-K Supervision.

This outstanding Lunch and Dinner concept requires a full liquor license and sufficient parking for the high traffic they generate
